I would be honored to remain on the Board of OHE as the Vice President of Membership. I have been on the board of OHE for over 4years as their Secretary and the VP of membership. I believe in the mission of OHE and our goal to embrace both academia and service to educate our workforce. In addition, being an affiliate of NNSDO, I feel that OHE is helping to fulfill their mission in advancing the specialty of nursing education and enhancing the quality of healthcare outcomes by providing wonderful programs and networking within our organization. I have been honored to be a member of this team of professionals in carrying out the mission of OHE and meeting the needs of our membership. I would like to continue to be a part of this committed group of individuals and to represent you (our members) and your needs as nurse educators. I bring my organizational skills, follow-through, commitment and enthusiasm to support this wonderful organization and our specialty in nursing. Thank you for your support.

I have been attending programs with OHE since 2006. I am completing my Masters in November and am interested in becoming active in this organization. I feel the people in this organization have so much to offer to the education community. I have held the office of treasurer for several other organizations in the past. I am very organized and feel I have the knowledge and background for this position. I would be honored to serve on the Board of OHE.

Marsha Sato EdD, MN, RN
Secretary

Dr. Marsha Sato, Associate Professor, is Director for the ADN to MSN & MSN Programs at Mount St. Mary's College (MSMC). She is responsible for providing leadership regarding curriculum development and evaluation. One of the tracks offered at MSMC is the educator focus where students obtain experience in the area of Nursing Professional Development. Her interest in serving OHE is to connect practice with academia thus working more powerfully in a synergistic manner to educate our future advance practice nurses.

Lynette Dahlman, MSN, RN served as the President-elect in 2009 and will be inducted as President of OHE at the 2010 Luncheon.

The office of President Elect is currently vacant.
